Wanted: Seamster or tailor

Iranti is looking for a skilled seamster or tailor from within the trans and gender-diverse community who can work closely with us to sew a number of chest-binders.

We have sewing patterns for the binders, which must be strong and neat upon completion. These will be distributed to transmasculine and nonbinary persons in the region, to promote safe and cost-effective chest-binding solutions.

Anyone who is interested should email kanyanta@iranti.org.za by **8 August 2018** with a brief letter of motivation, and examples of sewing or tailoring work done prior. We may request in-person assessment of work samples.
